

Welcome to your BlueRoom XR Briefing!

In this edition, **dive** into night operations with our new night vision effect, **relive** our standout moments at Arab Health and the International Search and Rescue Exhibitions with Leader Healthcare, and **explore** the challenges of desert warfare with a preview of our Middle East TCCC environment. Here's what you need to know!

Dive into night operations with our enhanced night vision effect, bringing unparalleled realism to nocturnal training scenarios in BlueRoom.

DIVE

Relive the highlights of our involvement at Arab Health and the International Search and Rescue Exhibitions alongside our Middle East partner, Leader Healthcare.

RELIVE

Explore the intricacies of desert operations with a sneak peek at our Middle East Tactical Combat Casualty Care environment, tailored for challenging desert scenarios.
