

August 2024

blueroomxr.com

Welcome to your BlueRoom MR Briefing!

In this edition, we spotlight BlueRoom's upcoming **Industry Day** on September 10th, where we will showcase our latest developments and capabilities. We highlight our role as finalists at the **Land Forces 2024 Innovation Awards** and our attendance alongside Cubic. We also share our work with **ADF Careers**, announce our exhibition at **ICMM alongside Teleflex**, and look ahead to **AUSA in Washington DC** in October.

Experience the future of immersive training in person with BlueRoom Simulations. We are hosting two demonstration sessions on Tuesday, September 10th, the day before Land Forces and would love to see you there.

[EXPERIENCE](#)

Participate in Land Forces 2024 in Melbourne, where BlueRoom is a finalist in the Innovation Awards. We are exhibiting alongside Cubic at stand G195 where we will have an interactive BlueRoom Mission Control on display.

[PARTICIPATE](#)

Join us at the **ICMM Congress in Brisbane** to see the BlueRoom Simulator with Teleflex, showcasing integrated medical tech. We are also presenting on enhancing RAAF Aeromedical and TCCC Training.

[JOIN US](#)

Learn how BlueRoom is helping **ADF Careers** showcase life in a Hercules C130J to recruits, and read how our VR scenarios support recruitment, training, and veteran employment.
