

## Welcome to your BlueRoom XR Briefing!

In this edition, we explore our new UH-60M Blackhawk model, celebrate our Garmin Health Award win, and invite you to join us at I/ITSEC, the world's largest modeling, simulation, and training conference. Plus, discover the Royal Australian Air Force's BlueRoom training facility. Here's what you need to know!

**Explore** the legendary UH-60M Blackhawk. Designed for high-intensity tactical and medical missions, this new environment opens training opportunities for all operators of this airframe globally.

EXPLORE

**Celebrate** with us as we win the Garmin Health Awards in the Healthcare and Research Category for our innovative BlueRoom Biometric integration.

CELEBRATE

**Join** us at I/ITSEC, the pinnacle event for modeling, simulation, and training technology, fostering collaboration and advancement in the field. Book a meeting time below.

JOIN

**Discover** how the Royal Australian Air Force is revolutionizing aeromedical training with its custom-built BlueRoom facility at Amberley Air Force Base.
